

COLUMBUS DAY TO BE OBSERVED QUIETLY; DID GREAT DISCOVERER LOOK LIKE THIS?

COLUMBUS PORTRAIT AND BUST

Columbus day, October 12—also known as Discovery day—always a day of rejoicing and celebration among the Italians in America and Americans of Italian descent, will be observed very quietly this year in most places. Owing to the participation of Italy in the war the Italian Americans will not hold their customary parades and festivals, but will endeavor to raise money at charity fetes by personal solicitation, etc., for the war sufferers in Italy. Columbus day is celebrated in 31 states of the Union. The pictures show what is believed to be an authentic portrait of the great navigator, also a bust in the Capitoline picture gallery in Rome, Italy. The inscription, translated, reads, "To Christopher Columbus; born, 1442; died, 1506." There has always been much doubt about the actual appearance of Columbus.

MAX AMS CO.'S WORKMEN ASK WAGE INCREASE

Fail to Receive Adjustment of
First Grievance So They
Ask More.

Because, they assert, they are poorly paid, and while they are out on strike they might as well remedy the matter, the strikers of the Max Ams Machine Co. of Fairbairn, voted last night to demand 25 cents a day flat increase in wages. A committee is to call on Max Ams this afternoon to attempt a settlement.

Mr. Ams interviewed the committee

yesterday when the strikers sent representatives to find out why three men were discharged. No satisfactory arrangement was made, however, and at the meeting last night it was decided that only by a continued strike will the management be brought to terms.

More than 100 of the machinists are out on strike. They voted to hold out until all their demands are met. While they have already received an increase they will ask another.

Business Agent George J. Bowen of the Machinists' local said this morning that the differences of the machinists at the Locomobile plant will be adjusted internally. According to Mr. Bowen, the officials have indicated a desire to rectify matters.

The Salt's Textile Co. strikers held a dance last night at Eagles' hall. Many attended and it was an enjoyable affair.

The Bank of England sold 5,000 pounds of bar gold, and shipped 200,000 pounds of sovereigns to Spain.

GEORGETOWN PASTOR IS STILL MISSING

(Special to the Farmer.)
Georgetown, Oct. 1.—Search for John S. Garland, the missing clergyman who was pastor of the Gilbert Memorial Congregational church, has been unsuccessful. It is likely a charge of embezzlement will be brought against him.

Mr. Garland's father-in-law says the borrowings of the pastor from him amounted to \$500, from the church funds, about \$350, and from Louis Miller, \$200. He is said to have issued some spurious notes.

GERMAN CAPITAL SOON.**
Vienna, Oct. 1.—It is reported from Sofia that Premier Radoslavoff, of Bulgaria, is planning a trip to Berlin in the near future. The ostensible purpose of the trip is a visit to the premier's son-in-law.

MOSHIER WILL BE ABLE TO TESTIFY ABOUT AUTO CRASH

Dangerous Hurts Healing at
Hospital—Reardon Recovers
From Injury.

George L. Moshier of 240 Fairfield avenue, who was dangerously injured in the automobile accident at the foot of Ox Hill early Monday afternoon, will be able to appear as a witness before Coroner J. J. Phelan, whose hearing on the case will be held Monday afternoon.

Moshier's condition is improved. He will probably be discharged Monday morning from St. Vincent's hospital. James W. Reardon, living at 22 Water place, has resumed his work at the Blue Ribbon garage. His wounds are completely healed.

It is improbable that the case of Moshier and Arthur Lucier, of 193 Fairfield avenue, the former held at St. Vincent's hospital on the charge of manslaughter, and the latter at the county jail in default of furnishing a bond of \$1,000 on the charge of taking an automobile without leave of the owner, will be disposed of tomorrow when the case is scheduled for a hearing. A continuance will most likely be granted to await the finding of the coroner and likewise the discharge of Moshier from St. Vincent's hospital.

Reardon and Ely, the other occupants of the car, have been subpoenaed as material witnesses in the case. Neither has been held under bonds. The coroner's hearing on the death of Costello is scheduled for Monday afternoon.

COMMISSION PLAN LEAGUE VOTES TO RUN THIRD TICKET

Several Old Line Members of
Both Parties Among Speak-
ers at Meeting.

All but one of the members who attended the meeting of the Commission Form of Government league in the Board of Trade rooms last night, voted in favor of naming candidates to run on a citizens' or independent ticket favoring commission form of government at the election next month. No one voted against the proposition. Committees will be named to get the sentiment of voters in each district. The committee will report at a meeting of the league to be held within a week, when a final decision will be made as to whether or not an independent ticket shall be named.

Frank W. Bolande, who has been one of the warmest advocates of commission form of government, said he had talked with one of the leading Democrats and had been assured that the party would name a candidate who would carry out plans of the league and that the Democratic party wanted the support of members of the league. President James A. Marr explained the various forms of commission government and among those who spoke in favor of an independent ticket were: Fred D. Ives, Abraham Levy, Fred Tomlinson, Col. M. H. Rogers, Sidney E. Hawley, George E. Crawford, Hen-

ry R. Parrott, Judge Thomas C. Coughlin, former Mayor Henry Lee, Harry H. DeFoss, T. J. Pandey, Nicholas Tesny former Senator J. E. Whitcomb and Dwight L. Graves, secretary of the league.
